**Description:** A unique and unrepeatable edition of an original sculpture by Jaume Plensa, created specifically for ARTIKA. An authentic work of art that offers us the opportunity to enjoy one of the most internationally renowned sculptors. ARTIKA presents a work limited and numbered to 998 copies in Arabic numeration and 200 in Roman numeration, all of them signed, one by one, by the artist himself. The sculpture also incorporates Plensa's original signature in bas-relief.

The striking sculpture, conceived as a case in two pieces, which are easily joined thanks to a system of hidden magnets, is the face of a girl with her eyes closed, Anna, a constant in Plensa's work, which conveys serenity, emphasizing the concept of inner beauty. The large-format Art Book invites us to take a visual journey through the artist's recent years of work. A wide selection of photographs with reflections by Plensa himself and quotes from renowned writers. The exhibition is accompanied by a black resin stand with the artist's name in relief.

By the hand of Rafael Argullol, the book Estudio is an essential reference to know and interpret in depth the work of Jaume Plensa and its evolution.
